

# ANALOGICA

*Revised*

This is a verbal test which aims to measure ones analogical reasoning skills as well as inductive abilities. The level of difficulty of Analogica is low due to the choice of words, as most of the them are common words. The test is untimed with 28 analogical items. You may use help like dictionaries, internet, etc. BUT help from other LIVING CREATURES is strictly FORBIDDEN. Do not post nor share your answers with anyone whether you submit the test or not. There is no penalty for incorrect answers. One submission is allowed. Send your answers to [info@iqlati.net](mailto:info@iqlati.net), you will normally receive your score report within one week.

Norm will be available at <http://iqlati.net> after 30 submissions.

Along with your submission the following information is needed;
